REAL MADRID CAMPS COMING TO LOS ANGELES, RIVERSIDE AND ORANGE COUNTY IN JULY

Saludos and good luck to all players competing this weekend!

For the past few months, we have been working to ensure that our Camps this Summer closely follow the methodology of the Real Madrid Academy - "La Fabrica" - to the smallest details while at the same time allowing players to learn the values of our Club and enjoy playing the beautiful game.

The Camp Experience includes five days of training with Real Madrid Foundation coaches, handpicked by the Academy Director of Real Madrid C.F.

At the end of each Camp, the Real Madrid Foundation coaches, will be selecting a handful of players for a chance to join an exclusive Thanksgiving Camp at Real Madrid's state-of-the-art Campus.

TRAIN LIKE A REAL MADRID YOUTH PLAYER FOR A WEEK

The Camp will focus on advanced individual training in technique and tactics, problem solving and decision making on the pitch as well as experiencing the values that are associated with Real Madrid such as leadership, teamwork, respect for others, solidarity and effort.

SPECTRUM AEROSPACE BECOMES AN OFFICIAL PARTNER

We are excited to announce our partnership with Spectrum Aerospace, a leading aviation company specializing in the repair, sale and purchase of parts and materials for narrow and wide body commercial aircraft.

We look forward to working with them on our upcoming Camps and future Real Madrid Foundation projects in Los Angeles.
